

Clipboard Calendar

Designed by: Jen

Supplies Used:

- Bazzill Chips
- Heidi Swap Month Stamps
- Other: (2) clipboards, Velcro, Ribbon, Assorted stickers, rub-ons, stamps and 3-D embellishments for numbers, Binder Rings

Tools Used:

- Crop-A-Dile
- Mod Podge
- Scrappy Glue
- Extra Chipboard
- Sanding Tools (block or files)
- Distress inks

Designer Tips:

-Make 31 numbers, some blank and some with photos of people or events to put on special dates.

-To make holes line up, punch holes in first clipboard then line up with second, make marks with dark marker then line up and punch the second clipboard.

-Make 12 month layouts, but do not attach to the clipboard so that you can exchange them each month. You can make a pocket on the back to hold the extra months.
