

Contemporary Clock

Designed by: Kristen

Supplies Used:

- Creative Imaginations Carol Wall Clock
- Scenic Route Paper from Sonoma Ornamental Kraft
- KI Memories Buttons
- My Mind's Eye chipboard accent bird from Laundry Line "Natural"
- My Mind's Eye Laundry Line "Sundress" "life" rub-ons
- Scenic Route chipboard numbers
- Distress Crackle Paint "Aged Mahogany"

Tools Used:

- Mod Podge
- Xacto knife
- Brayer
- Sanding Block

Designer Tips: Make sure when you glue the paper down that you use a brayer to smooth out all the air bubbles under the paper so that you don't get puckering after it dries. Also make sure that you add any embellishments that they are not too tall that they block the hands from moving around.
